CONFERENCE CANE

The Conference Cane was created and first presented in 1904. It is presented to the oldest ordained elder of the Detroit Conference who has served at least 35 active years in the conference and is currently residing within the bounds of the conference. The Commission on Archives and History sponsors the presentation.

The body of the cane is made of wood from the church in Adrian where the Detroit Conference was organized in 1856. There are inserts of wood representing different historical periods of the conference. These inserts include: wood from the first Methodist Episcopal Church erected in Michigan in 1818 at River Rouge; wood from the desk of Reverend Seth Reed, who was custodian of the cane and died at the age of 100; wood from the tree near the resting place of Barbara Heck, a pioneering Methodist woman in America; wood from the church where Judson Collins, our first missionary to China, was converted; and wood from the pulpit used by Robert Strawbridge, the pioneer of Methodism on the American continent.

Current holder of the Conference Cane: Donald O. Crumm

COVENANT RELATIONSHIP
“Partnership in Mission”
LIBERIA ANNUAL CONFERENCE OF THE METHODIST CHURCH AND
THE DETROIT ANNUAL CONFERENCE OF THE UNITED METHODIST HURCH

Be it resolved that the Detroit Annual Conference approve the following Covenant of Partnership in Ministry and Working Understandings with the Liberia Annual Conference. The Covenant Jesus said, “You shall love the Lord your God with all your heart, and with all your soul... and with all your mind.” This is the greatest commandment. And a second is like it: “You shall love your neighbor as yourself,” (NRSV Mt. 22:37-39)

The Liberia Annual Conference and the Detroit Annual Conference of The United Methodist Church desire to seek God’s will together as we reach out to the world’s peoples in both our countries and conferences. Remembering Jesus’ words, we agree to establish a Partnership in Ministry between our two conferences, and do hereby covenant to:

1. Support each other by our prayers and gifts of mind, body and wealth.
2. Educate the laity and clergy of both conferences about the faith; ethnic groups, tribes and races; customs; social issues; geography; politics and other aspects of both countries. We shall seek, while learning from each other, to develop connections between individuals, families, communities, and congregations.
3. Seek opportunities for two-way visitations and Volunteers in Mission teams.
4. Find creative ways in which we can support each other through the established Channels of The United Methodist Church.
5. Evaluate our Partnership in Ministry relationship quadrennially.

Working Understandings

1. The Partnership in Ministry between the Liberia Annual Conference and the Detroit Annual Conference is a mutually agreed upon relationship. The boards and agencies of the two conferences will be involved in its implementation and evaluation. Any change in this covenant requires mutual agreement.
2. The conference Board of Global Ministries will represent the Detroit Annual Conference while the Liberia Annual Conference will be represented by its executive committee. Each entity shall designate the persons that will represent it in the administering and evaluation of this covenant.
3. Coordination of all partnership activities within a conference shall be the responsibility of the respective conference. The sister conference may appoint a representative to coordinate the work with those responsible within the conference.
4. Any request for funding shall be for projects that have been approved by the United Methodist Committee on Relief, as General Advance Specials by the 310 Covenant Relationships 2013 Advance Committee of the General Council on Ministries or by both the Liberia and Detroit Annual Conferences.
5. All projects shall be socially just and ecologically sustainable.
6. In regard to Volunteers in Mission teams and visitations, efforts shall be made to
 - a. Encourage our people to work side by side in both countries.
 - b. See that teams not displace indigenous labor.
 - c. Seek opportunities for visitations of persons from both conferences.
 - d. Have any groups from either of the two conferences be inclusive as applicable with regard to race, tribe, age, sex, financial capability, clergy, laity and geographical areas.

EXCERPTS FROM THE JANUARY 5-15, 2012 REPORT OF THE SUPERINTENDENT, KOKOYAH DISTRICT CONFERENCE LIBERIA ANNUAL CONFERENCE, THE UNITED METHODIST CHURCH

The Kokoyah District is highly pleased to commend God first and the Rev. Dr. John G. Innis, Bishop of the Liberia Annual Conference of The United Methodist Church for our appointment as the seventh District Superintendent for Kokoyah. Commendation also goes to the Detroit Annual Conference, USA and the Illinois Great River Conference for their humane and passionate partnership support to the Mission and Ministry of our District and Church. They are indeed true United Methodists with open hearts and minds....

We are thankful to God first and to the Detroit Annual Conference for granting to two of our female students four years scholarship in the field of nursing. The scholarship is called "Douglar Rench Memorial Scholarship." This scholarship was work out or put into place by Rev. Billie Rench of the Owosso UMC (sic.) of the Detroit Annual Conference.

May the Almighty God continue to bless the work of their hands. Also the Quest UMC, the Grace Urbana MC, the Tuscola UMC and other churches of the IGRC are also in constant support of our village scholarship and reconstruction programs, which we are very much grateful to God and to these partners for their love and support. Thanks to the Detroit Annual Conference who is also supporting our village scholarship program and our pastor salary support program. Not a pastor on our District would tell you that they have not benefitted from this program. God bless our partners....

Rev. Benedict Greene, Sr.

COVENANT RENEWAL WITH EGLISE METHODISTE D'HAITI DISTRICT

Motion: Be it resolved that the Detroit (West Michigan) Annual Conference of the United Methodist Church enter into a revised Covenant Relationship with the Eglise Methodiste d'Haiti District of the Methodist Church of the Caribbean and the Americas as described in the following document; and

Be it further resolved that this Covenant Relationship be in cooperation with the West Michigan (Detroit) Annual Conference of the United Methodist Church, thus re-authorizing the Michigan Area Covenant with the Eglise Methodiste d'Haiti District of the Methodist Church of the Caribbean and the Americas.

In thankful recognition and faithful allegiance to the call of the Holy Spirit who equips and enables the church community to be in ministry and mission together, we join in partnership for the advancement of Christ, and we respond in faith and love reaching beyond our geographic boundaries in mutual servanthood. The Eglise Methodiste d'Haiti District of the Methodist Church of the Caribbean and the Americas and the Michigan Area of the United Methodist Church join together our gifts and graces in shared vision of ministry. We will partner together for the advancement of Jesus Christ and jointly commit ourselves to:

1. Pray for each other on a regular and recurring basis;
2. Work together in a supporting and mutual relationship as the pastors, people, congregations, circuits, and districts;
3. Help the people in the District and the Conferences to learn about each other, including our history and cultures, our blessings and challenges, our faith and life;
4. Encourage church-to-church, and pastor to pastor relationships for mutual learning, support, and growth;
5. Exchange information and establish processes to evaluate the various projects and their socio-economic impact through joint partnership teams and establish a means for effective and regular communication among the leaders of both the District and the Conferences;
6. Develop procedures that will assist in timely, accountable, and transparent transfer of funds for us in implementing the projects and ministries made possible through this covenant;
7. Exchange leadership between the District and the Conferences to interpret the work and mission and to generate understanding and support;

When you help a child,
you change a life!

Methodist Children's Home Society and
Faithful Friends...Connecting Churches
to Children

*From the moment we opened our doors in
1917, our vision has been to care for children when no one else could or
would.*

Methodist Children's Home Society serves more than 270 children a year
through residential, foster care, adoption, literacy and transitional living
programs. With services based on our 72-acre campus in Redford, Michigan,
we help children and families from all over the state.

Ways that you can help

- *Be an Angel....Join the Guardian Angel Society*
- *Host a special offering....\$5 Fifth Sundays*
- *Join our backpack and school supplies program*
- *Host a coffee or lunch and learn*

For more information about these programs, or other ways to be involved, contact Kelly
Kirkpatrick at 313-531-9464 or visit our website at www.mchsmi.org
