CONFERENCE CANE

The Conference Cane was created and first presented in 1904. It is presented to the oldest ordained elder of the Detroit Conference who has served at least 35 active years in the conference and is currently residing within the bounds of the conference. The Commission on Archives and History sponsors the presentation.

The body of the cane is made of wood from the church in Adrian where the Detroit Conference was organized in 1856. There are inserts of wood representing different historical periods of the conference. These inserts include: wood from the first Methodist Episcopal Church erected in Michigan in 1818 at River Rouge; wood from the desk of Reverend Seth Reed, who was custodian of the cane and died at the age of 100; wood from the tree near the resting place of Barbara Heck, a pioneering Methodist woman in America; wood from the church where Judson Collins, our first missionary to China, was converted; and wood from the pulpit used by Robert Strawbridge, the pioneer of Methodism on the American continent.

Current holder of the Conference Cane: Donald O. Crumm

COVENANT RELATIONSHIPS
“Partnership in Mission”

**LIBERIA ANNUAL CONFERENCE OF THE METHODIST CHURCH AND
THE DETROIT ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH**

Be it resolved that the Detroit Annual Conference approve the following Covenant of Partnership in Ministry and Working Understandings with the Liberia Annual Conference. The Covenant Jesus said, “You shall love the Lord your God with all your heart, and with all your soul... and with all your mind.” This is the greatest commandment. And a second is like it: “You shall love your neighbor as yourself,” (NRSV Mt. 22:37-39)

The Liberia Annual Conference and the Detroit Annual Conference of The United Methodist Church desire to seek God’s will together as we reach out to the world’s peoples in both our countries and conferences. Remembering Jesus’ words, we agree to establish a Partnership in Ministry between our two conferences, and do hereby covenant to:

1. Support each other by our prayers and gifts of mind, body and wealth.
2. Educate the laity and clergy of both conferences about the faith; ethnic groups, tribes and races; customs; social issues; geography; politics and other aspects of both countries. We shall seek, while learning from each other, to develop connections between individuals, families, communities, and congregations.
3. Seek opportunities for two-way visitations and Volunteers in Mission teams.
4. Find creative ways in which we can support each other through the established Channels of The United Methodist Church.
5. Evaluate our Partnership in Ministry relationship quadrennially.

Working Understandings

1. The Partnership in Ministry between the Liberia Annual Conference and the Detroit Annual Conference is a mutually agreed upon relationship. The boards and agencies of the two conferences will be involved in its implementation and evaluation. Any change in this covenant requires mutual agreement.
2. The conference Board of Global Ministries will represent the Detroit Annual Conference while the Liberia Annual Conference will be represented by its executive committee. Each entity shall designate the persons that will represent it in the administering and evaluation of this covenant.
3. Coordination of all partnership activities within a conference shall be the responsibility of the respective conference. The sister conference may appoint a representative to coordinate the work with those responsible within the conference.
4. Any request for funding shall be for projects that have been approved by the United Methodist Committee on Relief, as General Advance Specials by the 310 Covenant Relationships 2013 Advance Committee of the General Council on Ministries or by both the Liberia and Detroit Annual Conferences.
5. All projects shall be socially just and ecologically sustainable.
6. In regard to Volunteers in Mission teams and visitations, efforts shall be made to
 - a. Encourage our people to work side by side in both countries.
 - b. See that teams not displace indigenous labor.
 - c. Seek opportunities for visitations of persons from both conferences.

Covenant Relationships 2015

- d. Have any groups from either of the two conferences be inclusive as applicable with regard to race, tribe, age, sex, financial capability, clergy, laity and geographical areas.

Approved by the Liberia Annual Conference 1997. Signed for the Liberia Annual Conference, Arthur Flumo Kwlah, Bishop Approved by the Detroit Annual Conference 1997. Signed for the Detroit Annual Conference, Benjamin Bohnsack, Chair, Board of Ministries

The Kokoyah District is highly pleased to commend God first and the Rev. Dr. John G. Commendation also goes to the Detroit Annual Conference, USA and the Illinois Great River Conference for their humane and passionate partnership support to the Mission and Ministry of our District and Church. They are indeed true United Methodists with open hearts and minds....

We are thankful to God first and to the Detroit Annual Conference for granting to two of our female students four years scholarship in the field of nursing. The scholarship is called "Douglar Rench Memorial Scholarship." This scholarship was work out or put into place by Rev. Billie Rench of the Owosso UMC (sic.) of the Detroit Annual Conference.

May the Almighty God continue to bless the work of their hands. Also the Quest UMC, the Grace Urbana MC, the Tuscola UMC and other churches of the IGRC are also in constant support of our village scholarship and reconstruction programs, which we are very much grateful to God and to these partners for their love and support. Thanks to the Detroit Annual Conference who is also supporting our village scholarship program and our pastor salary support program. Not a pastor on our District would tell you that they have not benefitted from this program. God bless our partners....
